TABLE 28 X 28 IN.

ITEM 0244

The authentic Bistro chair exudes charm. Based on the original "Simplex" model (patented in 1889), the design has been reworked countless times. And now, more than 125 years the Bistro chair boasts inimitable French styling and a practical side, too. The chair is Fermob's flagship piece – a design straight out of our in-house workshops that can now be found gracing iconic locations like Times Square and Bryant Park, as well as open-air cafés and people's back gardens.
